Faculty of Science
Department of Psychology
Per-Course Appointment

The Department of Psychology invites applications from individuals interested in teaching **PSYC 7020 Practicum in Adult Assessment and Diagnosis I** in the fall semester, 2024.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with Faculty of Science and Dept. of Psychology regulations, as well as the Memorial University Calendar.

Course Title: PSYC 7020 Practicum in Adult Assessment and Diagnosis I

Course Schedule: Will be determined by the PsyD Program Director in consultation with the instructor.

Campus Location: St. John's Campus, In Person

Course Description: This course introduces adult psychometric assessment and diagnosis. Students develop skills in clinical interviewing and competence in the administration and interpretation of selected instruments. The course includes consideration of standards, ethics, uses, and interpretations of selected measures with consideration for diverse populations and individual difference factors. The course will consist of lectures, discussions, demonstration, and observation. Students will develop interviewing skills using a standardized patient and are expected to perform one interview and assessment as well as observe the interviews and assessments of their classmates and provide feedback. During the latter part of the course, students will be required to conduct a comprehensive assessment using a previously collected assessment data and integrate these findings into a final report. For further information regarding this course, please visit www.mun.ca/psychology

Qualifications: (1) A doctorate (PhD or PsyD) from a CPA- or APA-accredited clinical psychology program, (2) successful completion of a CPA- or APA- accredited pre-doctoral internship in clinical psychology, (3) either registered or provisionally registered with the Newfoundland and Labrador Psychology Board, (4) demonstrated knowledge of the specific topics noted in the course description above, including proficiency in the administration and scoring of the WAIS and PAI, and (5) documented clinical experience conducting assessment with adults.

To apply for this position: Please submit a letter of application, curriculum vitae, and the names of referees, electronically or in writing to:

Dr. Christina Thorpe, Department Head
Faculty of Science, Department of Psychology
Memorial University of Newfoundland & Labrador, St. John's NL, A1B 3X8
Tel: (709) 864-8495 Email: psychology.head@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: **4:00PM (NL time) June 28, 2024**

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples, visible minorities, and racialized people; and people with disabilities.
